

<b>Packaging item:</b>	Ø 56 x 70 met kap DIN-gat 24 mm
<b>Date:</b>	1-10-2011
<b>Internal code:</b>	N/A

Body construction						
Performance	Welded					
Material	Tinplate *)					
Tin Coating	E2.0/2.0					
Thickness (mm)	0,16					
Side seam	TS550					
Side stripe inside	-					
Coating inside	Plain					
Coating outside	Plain					
Bottom end construction						
Material	Tinplate *)					
Tin Coating	E2.0/2.0					
Thickness (mm)	0,205					
Side seam	TS290					
Coating inside	Plain					
Coating outside	Plain					
Compound	Water based					
Top end construction						
Material	Tinplate *)					
Tin Coating	E2.8/2.8					
Thickness (mm)	0,28					
Side seam	TS275					
Coating inside	Plain					
Coating outside	Plain					
Compound	Water based					
Capacities, weights and dimensions						
Height	Mass (g) ± 5% (g)	Nom. volume (ml)	Brimfull volume acc. ISO 90/2 (ml)	Label height (mm)	Height over double seam (mm)	Size over double seam (mm)
70	31,50	133	139			
Packaging						
Can height	Per europallet			Per box		
70	3.705			300		
Other						

\*) Tinplate according to EN10202.
